01 - Newton Abbot	PDL site	Newton Abbot Hospital, East Street, Newton Abbot			3.45	156	✓	✓	✓	0	0	0	0	12	50	50	44									156	Part of site has been a proposed housing allocation in the Initial Deposit Teignbridge Local Plan First Review (2002). Redevelopment would be compliant in principle with "saved" development plan policies. Commercial agents are known to have been appointed by the landowner for the disposal of the site. The site is part vacant following the transferral of healthcare services to a new community hospital at Jetty Marsh, Newton Abbot. There are recognised constraints on the site which could push delivery back to 2013.
