

## REGULATORY & APPEALS COMMITTEE

CHAIRMAN: Cllr Anna Klinkenberg

**DATE:** 5 September 2016  
**REPORT OF:** Licensing Officer  
**SUBJECT:** Hackney Carriage and Private Hire Vehicle Extensions

### PART I

#### RECOMMENDATION

The Regulatory & Appeals Committee is asked to determine this request.

#### 1. PURPOSE

The Committee is asked to consider a request to renew and extend two Hackney Carriage vehicle licences and one private hire vehicle licence for a further 12 months.

#### 2. BACKGROUND

Paragraph 5.2 of the Council's Hackney Carriage and Private Hire Vehicle Licensing Policy states that 'A vehicle being presented for subsequent licensing is required to be under ten years old with the exception of purpose built cabs'.

All vehicle licences are issued annually. Section 43 of the Town Police Clauses Act 1847 provides that a hackney carriage vehicle licence may be in force for a maximum of one year. Section 47 of the Local Government (Miscellaneous Provisions) Act 1976 provides that such conditions as are considered reasonably necessary may be attached to the grant of a hackney carriage licence.

The above Policy and statutory provisions reflect the Council's responsibility to ensure that all hackney carriage and private hire vehicles are safe and fit for use by members of the public.

The Committee has the discretion to license a vehicle if it is of the view that the vehicle is safe, fit for use and is in an acceptable condition.

## TEIGNBRIDGE DISTRICT COUNCIL

### 3. CONSULTATION

The decision of the Committee following a complete review of the Hackney Carriage and Private Hire Policy in April 2009 after taking into account the views from the trade was as follows:

“The Committee decided that vehicles being presented for initial licensing must be under five years old.”

With regard to subsequent licensing, the Committee decided that a vehicle should be under ten years old with the exception of purpose built cabs. However the Committee decided that the Council could exercise discretion to continue to licence Hackney Carriage or Private Hire vehicles which are older than ten years provided that the Council is satisfied that it is in a good condition and good state of repair and provided that it passes the appropriate testing standard. Applications for subsequent licensing for vehicles older than ten years will be considered by the Regulatory and Appeals Committee which can impose such conditions as it thinks fit including six monthly testing. The Committee did not consider it appropriate to introduce an upper age or mileage limit.”

The Local Government (Miscellaneous Provisions) Act 1976 allows for a District Council to request that a vehicle is presented for inspection up to three times in any 12 month period.

### 4. FINANCIAL IMPLICATIONS

The cost of defending the appeal if the application is refused and the applicant appeals to the Magistrates' Court.

### 5. OPTIONS

- 1 The Committee is asked to consider these requests and decide whether these vehicles should be licensed for a further 12 months.
2. If the Committee resolves to licence the vehicles, the Committee is asked to consider whether it is necessary to impose a condition requiring the vehicles to have six monthly vehicle inspections.
